The Letter Contract is being issued on a CPFF basis because of the development nature of five of the Viewers which are of a more advance design. It is anticipated that the Contract will be definitized by 31 January 1960 and will include an item for a Training Program of SAC personnel.

3. [REDACTED] obligates [REDACTED]

By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd 7/7/58) for each contract.
